

Arts-Based Civic Dialogue (ABCD)

Women's Rights in Challenging Times

Presented by the UIC Latino Cultural Center

This year's women's history month has great significance as women's rights have recently risen to prominence again in the wake of the massive women's march, international women's day, and the policy shifts of a new administration. We'll be discussing the impact of these events and the challenges we face, using art to spark storytelling, sharing ideas for collaboration and action!
